Join guest clinician Dr. Christopher Foster of Alfred University for this workshop to prepare and present your best music audition. This workshop will help students preparing auditions for music schools, summer programs, select ensembles, and school musical theatre productions. Students will receive tips for successful auditions and advice on repertoire selections, design an audition toolkit, and strategize details for success. Students will also have the opportunity to play or sing audition repertoire for the workshop clinicians. Attendees should bring their instrument, music, and a snack or light lunch. Audition attire is not required.

This workshop is made possible, in part, with public funds from the New York State Council on the Arts' Decentralization Program, administered locally by the ARTS Council of the Southern Finger Lakes.
