YMCA Birthday Party FAQ

1. What do we do first when we arrive at the YMCA for the party?

Upon arrival, parents/guardians of all guests are asked to inform the Front Desk they are here for a birthday party. Guests will be directed to the party room where parents/guardians will sign in their children and confirm an emergency contact number. This needs to be completed before parents/guardians leave the Y. At least one adult must stay with the party at all times. Adults to help supervise all activities. Clean up is the responsibility of the party host (garbage bags will be available). Staff are there to assist if needed. Use of the childcare toys is not included in the birthday party agreement.

2. What is included with the birthday party package?

Within the two hour time slot for parties, is time for setup by the hosting family as well as time to clean up. There is limited time between party slots which require clean up prior to the end of the two hour period. An hour of time is spent on the chosen activity (gymnasium/pool/music/art). And a half-hour timeframe is allotted in the party room for food and gift-opening. A staff member will be available for assistance with room setup (includes tables and chairs) and writing a gift list for the party host. Art parties may have up to 15 guests, with a \$1.00 charge per additional guest (maximum of 20).

3. Can we bring our own food for the party? What about delivery?

You are more than welcome to provide food or snacks to party goers! Don't forget drinks (piñatas and confetti are not allowed). Party families are welcome to bring in pizza, subs or other birthday treats for the party guests. If you would like to order pizza or subs, you can have it delivered to the Y, and you are responsible to pay and receive the food items from the delivery person in the lobby. The Y staff is not able to order or collect money; this is the responsibility of the party parent/guardian. Please be sure to bring cake or cupcakes if you would like dessert to be served at your child's party.

4. Should we bring our own towel and suits? What else may we need?

If swimming, guests need to bring their own towel and swimsuit, along with their own gym lock. Guests should bring smocks, if needed, for art parties. Sneakers are required for gym activities.

5. Are adults required to be in the pool?

All children will be given a swim test before they enter the pool.

To ensure the safety of all, the following adult/child ratios in the pool must be strictly adhered to:
